Sarah –

I am still the lead staff contact at the EPA WO and in our Region 9 office Jeanne Geselbracht (Geselbracht.jeanne@epa.gov) has replaced Carter Jessop for this project.

The additional Region 9 staff that are listed will get back to you directly as to whether they remain on your contact list.

I will send your email to EPA's Office of Water requesting that they inform you who should be included from their office.

If you need further information you have my contact information below.

Regards, Elaine
